

General Government Reorganization

Energy, Minerals and Natural Resources Department and Department of Environment

- ▶ Move department of environment (DOE) bureaus that overlap with energy, mineral and natural resources department (EMNRD) functions to EMNRD
 - ▶ groundwater quality bureau
 - ▶ surface water quality bureau
- ▶ Move construction programs bureau of DOE to the proposed infrastructure department; also move pertinent funds
- ▶ Merge the department of game and fish with the state parks division of EMNRD; repeal the state game commission
 - ▶ **Option** - move the merged department to the proposed commerce department
